FINGERING LESBIANS (Volume 1, Number 1 copyright © 1989 by American Art Enterprises, Inc. is published four times a year by American Art Enterprises, Inc. P. O. Box 3959, North Hollywood, CA 91609. It is produced and distributed as adult entertainment aimed at illuminating ongoing changes in current patterns of societal behavior with the view that the picturing and displaying of the unclothed human body is deserving of increased acceptance in our contemporary culture. All rights reserved on entire contents of this issue; nothing may be reprinted in whole or part without written permission from the publisher. Manuscripts and illustrations must be accompanied by a stamped, self addressed envelope; the publisher cannot assume responsibility for the safe return of unsolicited material. We do not release any information about, or sell photographs of, any model appearing in this magazine. Any similarity between persons living or dead and the characters named in fiction or semi-fiction is entirely coincidental. All photographs in this magazine, except for those of public figures, are posed by professional models who are over eighteen years of age, and neither the photographs nor the words accompanying them describe, or are meant to be understood as, the actual personality of the models. Distributed exclusively by Parliment News, Inc., P. O. Box 3959, No. Hollywood, CA 91609. PRINTED IN THE U. S.A.

I was dying to get my finger up that blonde slut's snatch. I wanted to see if she was wet and wanted my cunnie as bad as I wanted hers.

There was something about her smile and that trim little bod of hers that rang my bell. She gave me a bold eye the first time we met at a party for one of my lezzie girlfriends who was getting married--for some damn reason or other. Anyway, most of the chicks there were lesbo but you never know. I backed her into a corner after we had made small talk for a while and put my hand on her crotch. She didn't seem to mind one little bit and I thought "Honey, you're off to the races with this filly". And sure enough, I made her.

HAND HONEY

She loved it when I undressed her and poked her twat with my eager fingers. She was hot as a pistol and she would do anything I wanted for me, too.

SHOW BIZ LEZ

I got this job dancin' in this club. Now, I don't mind taking off my clothes for a bunch of horny dudes but I save my lovin' for chicks, you know? I wanted the job bad 'cause the dough was great and I pay my own rent--you know? Well, one of the other chicks was real nice to me and showed me the ropes and everything and how to get more tips and everything and I told her flat out that if there was anything I could do for her--anything--I'd do it. Well, before I knew it she had her tongue down my throat and a finger up my snatch. Now, that's the way to spend a break between dances for sure!

She knew how to tongue a chick as well and we really made a hot lezzie team. I was hoping I'd get invited to her pad for some all night lesbo sessions but she said she had a chick stashed at home and our relationship would be limited to breaks at work.

PROBE DYKES

Gorgeous fems who prefer to finger chicks and eat pussy have tried the male route and consider that way to go strictly the Dead Letter Office. They love slender fem bodies and wet pussies and pink, soft titties. They know what they want and it's a pair of wet panties in their beds and a clit that's being massaged by a svelte hand belonging to a foxy lady. These dolls can get all the cock they want but crave pussy.

***They love it when a hot
feminine babe makes a
play for them. They want
top-of-the line cuties in
their bedrooms for all night
Sappho sessions.***

VIDEO REVIEWS

LESBIAN LOVERS

This 60-minute scorcher features eight gorgeous, horny actresses in the wildest action in the Parliament video series yet.

In the hottest of the hot segments, luscious AMBER LYNN is a barmaid who wants to dish out more than booze to classy patron MISTY REGAN. She spills wine on Misty's dress and has her strip it off her foxy bod.

Then the video takes off. Amber gives Misty a world-class open mouth kiss and the two honeys are off to the races. Before you know it, Misty is stripping Amber and licking and sucking her off. This is the real thing--nobody is faking anything.

Misty has a better use for a strawberry than this reviewer has seen since "The Devil In Miss Jones" made cherries so popular with the ladies.

Don't miss CANDIE EVENS and delicious STACEY DONOVAN as a hot massage parlor attendant and her new-to-the-lez-life patron.

You'll also dig KEISHA and RAQUEL as two high class party girls who mix it up, girl-girl in a posh hotel.

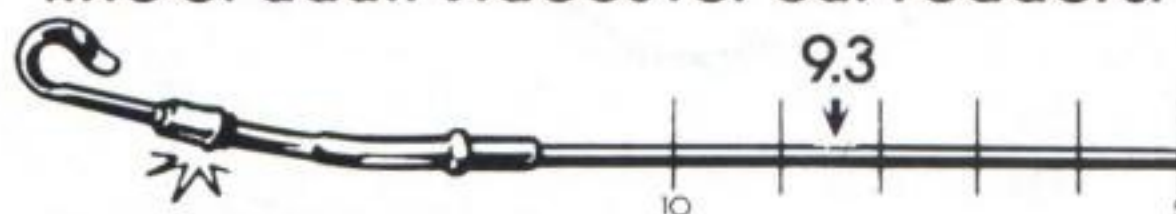

LESBIAN LOVERS licks the competition with a great 9.89 on the Dipstick Dial.

GEISHA GIRLS--This video is for those red-blooded guys who salivate after gorgeous, feminine, exotic Oriental dolls. Iris, the Asian Sex Goddess, does a strip in a cabaret. She has a taut, sexy body and fine amber skin.

She gets very well acquainted with a black and silver dildo. Writhing and moaning with desire as she handles herself, Iris smokes

There's a new line of hot, gorgeous adult videos out under the Parliament Video banner. They consist of brand new, never-before-seen videos featuring classy honeys from the various Parliament magazines that have been hot sellers for over 25 years. They have been shot on video for video and are handsome productions. These high quality videos feature full color and sound tracks. Parliament has gone to great lengths to find the hottest new adult stars for this line of videos. You'll appreciate the of great looking honeys they has chosen for these videos. We have asked film and video critic E. Burt Parker to review this special line of adult videos for our readers.

DIPSTICK DIAL--A scale of 1 to 10, 1 being the limp noodle department and 10 being the champagne-cork-popping department.

up the video screen.

Then a foxy and horny Japanese airline stewardess turns herself on in a lonely motel room. She discovers a huge pink dildo that she finds better than two-fingered frigging.

This Exotic Asian hohey will curl your hair with her all-alone lovemaking.

GEISHA GIRLS scores 8.50 on the Dipstick Dial.

BOTTOM--If it's gorgeous hineys that ring your gong, then **BOTTOM** is for you.

We see Crystal Breeze, a lass with a great caboose. The cameraman is smart enough to zoom on that gorgeous butt of hers as she wiggles her buns.

We then see Debbie Lynn, a fabulous doll who is all alone in a huge round bed.

A stiff white dildo turns up and she attaches a long, thin probe end. The probe ends up in her hiney in the hottest action of the series.

BOTTOM rates 8.80 on the Dipstick Dial.

BRAND NEW RELEASE--**SULTRY BLACK DOLLS**--This new entry features gorgeous Mauvais, a country girl with big-city ideas. Especially when it comes to the stiff dildo she brought with her to wile away the lonely hours in the country. Beautiful Jeanie Pepper, stranded at the ranch house with nothing to do but drag out the vibrator, has the same ideas. We'll feature a full review of this video in future issues.

Stop by your local video store and pick up a six-pack of these great Parliament Videos. You won't be disappointed.--reviewed by E. Burt Parker

TWO FOR LEZ

My little honey is a chick who loves for me to massage her clit with my fingertip. She likes just the lightest touch. If I rub too hard it doesn't do it for her. She says she goes for chicks not guys because a chick knows how to finger fuck her twattie with just the most gentle touch. I'd glad to do it just the way she likes it because she returns the favor in spades, as they say. She's a hot lesbo lover and gives me more orgasms in one night than my ex husband gave me in three years. She likes to get naked most every night and play those lezzie games and I do, as well. For sure! We try all sorts of shit of course but always come back to the digit in the twat.

We work each over pretty good. She's got a great bod and gives it all to me. I take it and give her my snatch and everything.
